The Management agrees to give two weeks' notice of this to the Parent/Guardian so they can make alternative arrangements.

Withdrawal and Exclusion:

We are an inclusive service and open our door to children with abilities and disabilities. We ask parents to share with us as much information as possible to ensure the child's individual needs are met. Our aim is to make reasonable accommodation to be inclusive, once it is within our resources and within the interest of the individual child and group of the children.

In certain circumstances it may be necessary to exclude children temporarily:

- When a child has an illness as outlines in our Infection Control Policy
- When a risk assessment shows that the child should not attend as it may not be safe to do so following a risk assessment: This includes:
- When children have severe behavioral difficulty that may be a danger to himself/herself and/or the group.
- Where a child is ill or recovering from an illness and is not fit to attend. This is relevant when a child may require one to one attention.
- Where there are exceptional circumstances where group care is not suitable.
- Access for Inclusion (AIM) support is only available to preschool children by application to Better Start. AIM support reduces preschool class ratios from 1: 11 to 1:7 for 3 hours per day only. AIMS support is not available during part-time daycare or full-daycare. AIMS support is only available during the academic year (38 weeks). AIMS support is not available to School Aged Childcare.

In very rare circumstances we will have no option but to terminate the place but this will be a last resort, following risk assessment and discussion with the parents. We will always endeavor to resolve any issues in a professional, practical manner and with the highest respect for the child and family.

Non-payment of Fees:

- Non-payment of fees may result in loss of your child's place.
- A repeated failure of paying fees may result in suspension or withdrawal of the child's place until the matter is resolved.
- Any delays in payments must be discussed in advance and agreed with management.

Manager Signature:

A handwritten signature in black ink, appearing to read 'E. Beer', is written over a faint, large, stylized outline of a signature.
